

## Secondary Class Schedules

The master schedule is built similar to a university schedule with courses meeting through Google Meet twice a week: Monday/Thursday courses and Tuesday/Friday courses. This class time will consist of a brief teacher led-demonstration or mini-lesson followed by discussion, small group, and Q/A time. Whole-class instruction will be recorded and posted for later viewing. Teachers and students are not expected to be online the entire class block. The block schedule allows for flexibility.

When not engaged in synchronous learning time, students are expected to work on planned learning activities, projects, and homework. All lesson plans and resources shared via Google Classroom.
