My child is testing for Acceleration (without prior instruction) _____**

** The following tests are not available for acceleration: Algebra I, Biology, English I, English II, and U.S. History. TEA recently instituted a new policy for exams for acceleration under 19 TAC Chapter 74 Curriculum Requirements, Subchapter C, Other Provisions, §74.24. The Algebra 1, Biology, English 1, English 2, and United States History exams for acceleration (credit by exams without prior instruction) must have been validated to meet the rigor of the end of course exams. However, credit by exams used for credit recovery do not need to meet this rigor. We are still offering credit by exams (with prior instruction) in these subjects for credit recovery only. For more information about this policy change, please visit:
http://ritter.tea.state.tx.us/rules/tac/chapter074/ch074c.html#74.24.

- ✓ For ACCELERATION: A grade of 80% or higher must be earned to obtain credit and be accelerated. A student may not attempt (the CBE) more than two times to receive credit for a particular subject on the basis of an examination for credit in that subject. If a student fails to achieve the designated score on an applicable examination for a subject before the beginning of the school year in which the student would ordinarily be required to enroll in a course in that subject in accordance with the District's prescribed course sequence, the student must satisfactorily complete the course to receive credit for the course. *(EHDC Legal)*
- ✓ For RECOVERY: A grade of 70% or higher must be earned to recover credit. *(EHDB Legal)*
- ✓ Passing credit by exam scores will be entered on the student transcript; however, the credit by exam grade will not be calculated as part of the GPA.
- ✓ ***Make-up exams or alternate test dates will not be available for any of the test dates***

I agree to the conditions stated above. I understand granting credit does not imply the student has acquired all of the knowledge and skills that would have been derived from completing that grade level or course.
