

**Dr. Kadamani strongly believes that a child who reads will become an adult who thinks critically, and that books can become our most cherished companions.**

**Because of the important role reading plays in the development of a healthy body, mind, and soul Dr. Kadamani and the Laith Family Dentistry team have decided to start a reading contest program to encourage children to read, and get them started on a lifelong path of enjoying the priceless benefits of reading!**

**The reading contest will be for youth 8-12 years old. Kids who choose to enter the contest will receive a free participation tee shirt, and a Kids Discover Magazine to be used for the contest. (Quantity is limited so please register).**

## **The Contest**
