What language does your child speak most of the time? _____

I understand that:

- A. There is a 5-year commitment to this program. I need to be supportive and understanding of both my child and the program.
- B. If more applications are received than positions available, there will be a lottery to determine actual participants.
- C. There could be a lag in acquisition of English reading and writing skills. Experience has shown that the lag disappears by the 5th grade.
- D. It is especially important to read in English every night at home to establish the foundation for English reading and writing skills.
- E. There may be as many as 26 students in the class.
- F. This program is offered at Cambridge and Woodridge. ***I am willing to have my child assigned to either campus. In the event my child is not assigned to my home campus, I understand transportation will not be provided by the district.***
