ALL TO HELP OUR KIDS EXCEL IN SCHOOL !!!

Who we are: All Texas schools with a GT program are required to have support from a non-profit. That is the initial function of *AHASG*. With a focus on curriculum enrichment, all of the group's activities promote quality programming and academic excellence in AHISD.

ACADEMICS ?? Who isn't interested in helping promote academic excellence in AHISD?

This group affects practically all students in AHISD! "How?" you say.

AHASG pays to send several teachers every year to conventions/conferences where they learn new and valuable ways to teach our students! And then those teachers are tasked with passing on their new skills to other teachers and so on... Our donations to *AHASG* create ripple effects in our children's education so that ***everyone can reap the benefits!***

The amount of grants made is solely dependent on donations received each year.

Each May we take requests from teachers. Funds are allocated based on greatest impact to the students we serve. In the past, we have been able to allocate almost **\$10,000**.

We Need Your Help!!

Fill out the back, include your donation & mail to address given (Michelle Stedman) or send in with your child to school!
