The Center for Health Care Services offers a sliding fee scale and accepts all patients regardless of inability to pay.

Adult Behavioral Health Services

Comprehensive mental health services to support each person's goals for recovery, including: psychiatric evaluation and treatment, medication management, wellness counseling and education, individual and group therapy, psychiatric care, psychosocial rehabilitation, and case management offered at a variety of locations.

- Outpatient Mental Health Services
- Intensive Mental Health Services
- Long-Term Care Services

Children's Behavioral Health Services

Being mentally healthy in childhood means reaching developmental and emotional milestones, learning healthy social skills, and how to cope when problems arise. When there is a concern that a child might not be meeting these milestones, The Center offers an array of services that can help.

- Outpatient Mental Health Services (ages 3-17)
- Juvenile Justice Programs (ages 10-17)
- Intensive Mental Health Services

Substance Use Services

The CHCS Restoration Center and transformational services help people break the cycle of addiction and regain sobriety through safe, meaningful programs that reduce harms associated with substance use, promote total recovery for people with co-occurring mental health and substance use disorders, and provide better care coordination.

- Outpatient Treatment
- Residential Treatment

Intellectual and Developmental Disability Services (IDD)

People living with IDD deserve to live life to its fullest, and may require long-term services and supports indefinitely. By promoting dignity and choice for adults with IDD, the CHCS Long-Term Care Services help improve the quality of life for consumers and their loved ones through programs designed for inclusivity, accessibility, and independence.
